Boarding Grooming & Training LLC

Grooming Contract 2019

Your pet is important to us. Because we care, we want to assure you that every effort will be put forth to ensure that your Pet's visit is as pleasant for them as possible.

It is important for you to understand that, Grooming can expose hidden medical problems and/or can aggravate a pre-existing one. This can occur either during or after Grooming. If at any time our Groomers find a minor medical problem, you will be notified at pick-up of the issue. If however a major medical issue arises while they are with us, Grooming will cease and you will be immediately notified of the issue.

If your Pet is severely tangled or matted, he/she is at greater risk of injury, stress and trauma. All precautions will of course be taken. However, problems occasionally arise, either during or after Grooming- such as Nicks, Clipper Irritation and/or physical/mental stress due to the process of removing such tangles/mats.

Senior Pet Grooming can be very stressful for some pets and we will therefore take extra time with our Seniors, allowing for extra breaks and a reduced stress level - please be aware that this may add additional time for the overall groom appointment.

I, _____ (Print Name)

Hereby grant permission to Von Aries Kennels LLC to obtain Emergency Veterinary Treatment for my pet should the need arise. Additionally, I understand that any and all such treatment will be solely at my own expense. I further understand that Grooming a pet does come with some level of risk - I will not hold Von Aries Kennels LLC, or any of its staff responsible for accidents/injury to my pet. This contract shall be in force for the current calendar year and must be renewed at the first Groom of each calendar year.
